

Greetings Future Zebra!

The mission of Jubilee Performing Arts Center is to revive the awareness and appreciation of the arts while developing competent students who are successfully prepared for the next level in the arts whether that be university, apprenticeship, or professional experience. While steeped in the arts, Jubilee also has a rigorous and relevant academic component which challenges students in Math, Science, English/Language Arts, and Social Studies.

JPAC believes that all students, given the proper environment, can learn and achieve. However, we reserve the right to remove any student who negatively impacts teaching and learning.

As a student at JPAC, you will have the opportunity to pursue training in the arts while achieving academically. Your choices of study are creative writing, music (with an emphasis in voice or piano) or musical theater (with an emphasis in acting or choreography).

AUDITIONS AND ADMISSIONS:

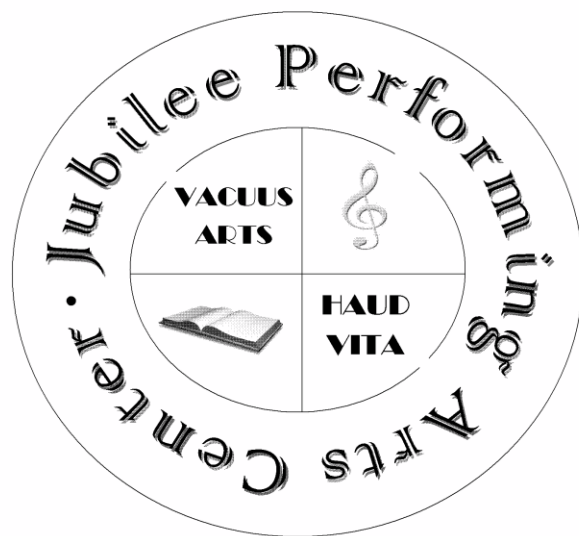

We look forward to the upcoming year at the Jubilee Performing Arts Center. Please see attached for an admissions packet and audition form. Each packet and audition form must be filled out completely with a \$25 audition fee. Once you have submitted your audition form and paid your fee, you will be scheduled for a zoom audition.

Good luck on your endeavors as you pursue the excellence of the Jubilee Performing Arts Center.

Sincerely,
