

For Immediate Release:

As the world is changing, we are modifying and adapting, as necessary. The Jubilee Performing Arts Conservatory will be offering the following grades next year:

2 nd – 3 rd grade elementary	Teacher: Mrs. Brenda Smith
5 th – 12 th grade secondary	Teachers: TBA

The mission of Jubilee Performing Arts Center is to revive the awareness and appreciation of the arts while developing competent students who are successfully prepared for the next level in the arts whether that be university, apprenticeship, or professional experience. While steeped in the arts, Jubilee also has a rigorous and relevant academic component which challenges students in Math, Science, English/Language Arts, and Social Studies.

JPAC believes that all students, given the proper environment, can learn and achieve. However, we reserve the right to remove any student who negatively impacts teaching and learning.

MAJORS OFFERED:

As a student at JPAC, you will have the opportunity to pursue training in the arts while achieving academically. Your choices of study are creative writing, music (with an emphasis in voice or piano) or musical theater (with an emphasis in acting or choreography).

AUDITIONS AND ADMISSIONS:

We look forward to the upcoming year at the Jubilee Performing Arts Center. Please see attached for an admissions packet and audition form. Each packet and audition form must be filled out completely with a \$25 audition fee. Once you have submitted your audition form and paid your fee, you will be scheduled for a zoom audition. **ELEMENTARY STUDENTS ARE OMITTED FROM THIS PROCESS UNTIL 5TH GRADE.**

Sincerely,

A handwritten signature in blue ink, appearing to read "Terrance Alexander".

Terrance Alexander, Ph.D.,
Executive Director
